Education

BSc (Computer Science)
P.M.T. Arts and Science College, Usilampatti .
CGPA: 6.74
Year of Completion: 2025

Skills

- Html,Css
- Java Script
- React JS
- Core Java
- Spring Framework
- JWT,Authentication
- Restful Api
- My Sql
- Mongo DB
- Git Version Control

Additional Skills

- Video Editing (CapCut, Adobe Premiere Pro)
- Canva (Thumbnails & social media creatives)
- Basic Content Creation

Project's

REACT,SPRINGBOOT,MYSQL

Super Market Management

Developed a robust supermarket management system using Spring Boot and MySQL for backend operations. Features include inventory management, product categorization, stock alerts, billing, and sales reporting. Implemented RESTful APIs, secure transaction handling, and admin dashboards for efficient store management. Designed a responsive front-end for real-time interaction and monitoring.
Key Skills: Spring Boot, Java, MySQL, REST APIs, Hibernate/JPA, CRUD Operations, Inventory & Billing Management, Responsive Web Design

HTML,CSS,JAVASCRIPT

Cricket Game

Developed an interactive, browser-based cricket game that simulates real-time match scenarios. Implemented game logic for batting, bowling, scoring, and player statistics using [JavaScript/HTML/CSS]. Features include team selection, dynamic score updates, and user-friendly interface with responsive design. Optimized performance for smooth gameplay and modular code for easy maintenance and feature expansion.
Key Skills: JavaScript, HTML, CSS, Game Logic, DOM Manipulation, Responsive Design, Event Handling

React.js, Bootstrap

User Management System (CRUD)

Built a web application to perform Create, Read, Update, and Delete (CRUD) operations on user data using React for dynamic frontend and Bootstrap for responsive UI design. Implemented form validation, interactive tables, and real-time state updates to ensure smooth user interaction. Focused on modular components, clean code structure, and a user-friendly interface.
Key Skills: React.js, Bootstrap, JavaScript, JSX, State Management, Event Handling, Form Validation, Responsive Design
